### **57-26-103. Manner of giving notification.**

(1) Except as otherwise provided in Subsections (3) and (4), a person gives a notification or a copy of a notification under this chapter:

(a) by depositing it with the United States Postal Service or with a commercially reasonable delivery service, properly addressed to the intended recipient's address as specified in Subsection (2), with first-class postage or cost of delivery provided for; or

(b) if the recipient agreed to receive notification by facsimile transmission, electronic mail, or other electronic transmission, by sending it to the recipient in the agreed manner at the address specified in the agreement.

(2) The following rules determine the proper address for giving a notification under Subsection (1):

(a) A person giving a notification to an assignee shall use the address for notices to the assignee provided in the document creating the assignment of rents, but, if the assignee has provided the person giving the notification with a more recent address for notices, the person giving the notification shall use that address.

(b) A person giving a notification to an assignor shall use the address for notices to the assignor provided in the document creating the assignment of rents, but, if the assignor has provided the person giving the notification with a more recent address for notices, the person giving the notification shall use that address.

(c) If a tenant's agreement with an assignor provides an address for notices to the tenant and the person giving notification has received a copy of the agreement or

knows the address for notices specified in the agreement, the person giving the notification shall use that address in giving a notification to the tenant. Otherwise, the person shall use the address of the premises covered by the agreement.

(3) If a person giving a notification pursuant to this chapter and the recipient have agreed to the method for giving a notification, any notification must be given by that method.

(4) If a notification is received by the recipient, it is effective even if it was not given in accordance with Subsection (1) or (3).

Enacted by Chapter 139, 2009 General Session

**57-26-104. Security instrument creates assignment of rents -- Assignment of rents creates security interest.**

(1) An enforceable security instrument creates an assignment of rents arising from the real property described in the security instrument, unless the security instrument provides otherwise.

(2) An assignment of rents creates a presently effective security interest in all accrued and unaccrued rents arising from the real property described in the document creating the assignment, regardless of whether the document is in the form of an absolute assignment, an absolute assignment conditioned upon default, an assignment as additional security, or any other form. The security interest in rents is separate and distinct from any security interest held by the assignee in the real property.

Enacted by Chapter 139, 2009 General Session

**57-26-105. Recordation -- Perfection of security interest in rents -- Priority of conflicting interests in rents.**

(1) A document creating an assignment of rents may be submitted for recording in the office of the county recorder for the county in which the property is situated in the same manner as any other document evidencing a conveyance of an interest in real property.

(2) Upon recording, the security interest in rents created by an assignment of rents is fully perfected, even if a provision of the document creating the assignment or law of this state other than this chapter would preclude or defer enforcement of the security interest until the occurrence of a subsequent event, including a subsequent default of the assignor, the assignee's obtaining possession of the real property, or the appointment of a receiver.

(3) Except as otherwise provided in Subsection (4), a perfected security interest in rents takes priority over the rights of a person that, after the security interest is perfected:

(a) acquires a judicial lien against the rents or the real property from which the rents arise; or

(b) purchases an interest in the rents or the real property from which the rents arise.

(4) A perfected security interest in rents has priority over the rights of a person

described in Subsection (3) with respect to future advances to the same extent as the assignee's security interest in the real property has priority over the rights of that person with respect to future advances.

Enacted by Chapter 139, 2009 General Session

**57-26-106. Enforcement of security interest in rents.**

(1) An assignee may enforce an assignment of rents using one or more of the methods specified in Sections 57-26-107, 57-26-108, and 57-26-109 or any other method sufficient to enforce the assignment under law of this state other than this chapter.

(2) From the date of enforcement, the assignee or, in the case of enforcement by appointment of a receiver under Section 57-26-107, the receiver is entitled to collect all rents that:

- (a) have accrued but remain unpaid on that date; and
- (b) accrue on or after that date, as those rents accrue.

Enacted by Chapter 139, 2009 General Session

**57-26-107. Enforcement by appointment of receiver.**

(1) An assignee is entitled to the appointment of a receiver for the real property subject to the assignment of rents if:

- (a) the assignor is in default and:
  - (i) the assignor has agreed in a signed document to the appointment of a receiver in the event of the assignor's default;
  - (ii) it appears likely that the real property may not be sufficient to satisfy the secured obligation;
  - (iii) the assignor has failed to turn over to the assignee proceeds that the assignee was entitled to collect; or
  - (iv) a subordinate assignee of rents obtains the appointment of a receiver for the real property; or
- (b) other circumstances exist that would justify the appointment of a receiver under law of this state other than this chapter.

(2) An assignee may file a petition for the appointment of a receiver in connection with an action:

- (a) to foreclose the security instrument;
- (b) for specific performance of the assignment;
- (c) seeking a remedy on account of waste or threatened waste of the real property subject to the assignment; or
- (d) otherwise to enforce the secured obligation or the assignee's remedies arising from the assignment.

(3) An assignee that files a petition under Subsection (2) shall also give a copy of the petition in the manner specified in Section 57-26-103 to any other person that, 10 days before the date the petition is filed, held a recorded assignment of rents arising from the real property.

(4) If an assignee enforces an assignment of rents under this section, the date of enforcement is the date on which the court enters an order appointing a receiver for the real property subject to the assignment.

(5) From the date of its appointment, a receiver is entitled to collect rents as provided in Subsection 57-26-106(2). The receiver also has the authority provided in the order of appointment and law of this state other than this chapter.

(6) The following rules govern priority among receivers:

(a) If more than one assignee qualifies under this section for the appointment of a receiver, a receivership requested by an assignee entitled to priority in rents under this chapter has priority over a receivership requested by a subordinate assignee, even if a court has previously appointed a receiver for the subordinate assignee.

(b) If a subordinate assignee obtains the appointment of a receiver, the receiver may collect the rents and apply the proceeds in the manner specified in the order appointing the receiver until a receiver is appointed under a senior assignment of rents.

Enacted by Chapter 139, 2009 General Session

**57-26-108. Enforcement by notification to assignor.**

(1) Upon the assignor's default, or as otherwise agreed by the assignor, the assignee may give the assignor a notification demanding that the assignor pay over the proceeds of any rents that the assignee is entitled to collect under Section 57-26-106. The assignee shall also give a copy of the notification to any other person that, 10 days before the notification date, held a recorded assignment of rents arising from the real property.

(2) If an assignee enforces an assignment of rents under this section, the date of enforcement is the date on which the assignor receives a notification under Subsection (1).

(3) An assignee's failure to give a notification under Subsection (1) to any person holding a recorded assignment of rents does not affect the effectiveness of the notification as to the assignor, but the other person is entitled to any relief permitted under law of this state other than this chapter.

(4) An assignee that holds a security interest in rents solely by virtue of Subsection 57-26-104(1) may not enforce the security interest under this section while the assignor occupies the real property as the assignor's primary residence.

Enacted by Chapter 139, 2009 General Session

**57-26-109. Enforcement by notification to tenant.**

(1) Upon the assignor's default, or as otherwise agreed by the assignor, the assignee may give to a tenant of the real property a notification demanding that the tenant pay to the assignee all unpaid accrued rents and all unaccrued rents as they accrue. The assignee shall give a copy of the notification to the assignor and to any other person that, 10 days before the notification date, held a recorded assignment of rents arising from the real property. The notification must be signed by the assignee and:

(a) identify the tenant, assignor, assignee, premises covered by the agreement between the tenant and the assignor, and assignment of rents being enforced;

(b) provide the recording data for the document creating the assignment or other reasonable proof that the assignment was made;

(c) state that the assignee has the right to collect rents in accordance with the assignment;

(d) direct the tenant to pay to the assignee all unpaid accrued rents and all unaccrued rents as they accrue;

(e) describe the manner in which Subsections (3) and (4) affect the tenant's payment obligations;

(f) provide the name and telephone number of a contact person and an address to which the tenant can direct payment of rents and any inquiry for additional information about the assignment or the assignee's right to enforce the assignment; and

(g) contain a statement that the tenant may consult a lawyer if the tenant has questions about its rights and obligations.

(2) If an assignee enforces an assignment of rents under this section, the date of enforcement is the date on which the tenant receives a notification substantially complying with Subsection (1).

(3) Subject to Subsection (4) and any other claim or defense that a tenant has under law of this state other than this chapter, following receipt of a notification substantially complying with Subsection (1):

(a) a tenant is obligated to pay to the assignee all unpaid accrued rents and all unaccrued rents as they accrue, unless the tenant has previously received a notification from another assignee of rents given by that assignee in accordance with this section and the other assignee has not canceled that notification;

(b) unless the tenant occupies the premises as the tenant's primary residence, a tenant that pays rents to the assignor is not discharged from the obligation to pay rents to the assignee;

(c) a tenant's payment to the assignee of rents then due satisfies the tenant's obligation under the tenant's agreement with the assignor to the extent of the payment made; and

(d) a tenant's obligation to pay rents to the assignee continues until the tenant receives a court order directing the tenant to pay the rent in a different manner or a signed document from the assignee canceling its notification, whichever occurs first.

(4) A tenant that has received a notification under Subsection (1) is not in default for nonpayment of rents accruing within 30 days after the date the notification is received before the earlier of:

(a) 10 days after the date the next regularly scheduled rental payment would be due; or

(b) 30 days after the date the tenant receives the notification.

(5) Upon receiving a notification from another creditor that is entitled to priority under Subsection 57-26-105(3) that the other creditor has enforced and is continuing to enforce its interest in rents, an assignee that has given a notification to a tenant under Subsection (1) shall immediately give another notification to the tenant canceling the

earlier notification.

(6) An assignee's failure to give a notification under Subsection (1) to any person holding a recorded assignment of rents does not affect the effectiveness of the notification as to the assignor and those tenants receiving the notification. However, the person entitled to the notification is entitled to any relief permitted by law of this state other than this chapter.

(7) An assignee that holds a security interest in rents solely by virtue of Subsection 57-26-104(1) may not enforce the security interest under this section while the assignor occupies the real property as the assignor's primary residence.

Enacted by Chapter 139, 2009 General Session

**57-26-110. Notification to tenant -- Form.**

No particular phrasing is required for the notification specified in Section 57-26-109. However, the following form of notification, when properly completed, is sufficient to satisfy the requirements of Section 57-26-109:

NOTIFICATION TO PAY RENTS TO PERSON OTHER THAN LANDLORD  
Tenant:

_____		
Name of Tenant		
Property Occupied by Tenant (the "Premises"):		
_____		
Landlord:		Address

Assignee:		Name of landlord

Address of assignee

1. The Assignee named above has become the person entitled to collect your rents on the Premises listed above under

Appropriate governmental office under the recording act of this state  
You may obtain additional information about the Assignment of Rents and the Assignee's right to enforce it at the address listed above.

2. The Landlord is in default under the Assignment of Rents. Under the Assignment of Rents, the Assignee is entitled to collect rents from the Premises.

3. This notification affects your rights and obligations under the agreement under which you occupy the Premises (your "Agreement"). In order to provide you with an opportunity to consult with a lawyer, if your next scheduled rental payment is due within 30 days after you receive this notification, neither the Assignee nor the Landlord can hold you in default under your Agreement for nonpayment of that rental payment until 10 days after the due date of that payment or 30 days following the date you receive this notification, whichever occurs first. You may consult a lawyer at your expense concerning your rights and obligations under your Agreement and the effect of this notification.

4. You must pay to the Assignee at the address listed above all rents under your Agreement which are due and payable on the date you receive this notification and all rents accruing under your Agreement after you receive this notification. If you pay rents to the Assignee after receiving this notification, the payment will satisfy your rental obligation to the extent of that payment.

5. Unless you occupy the Premises as your primary residence, if you pay any rents to the Landlord after receiving this notification, your payment to the Landlord will not discharge your rental obligation, and the Assignee may hold you liable for that rental obligation notwithstanding your payment to the Landlord.

6. If you have previously received a notification from another person that also holds an assignment of the rents due under your Agreement, you should continue paying your rents to the person that sent that notification until that person cancels that notification. Once that notification is canceled, you must begin paying rents to the Assignee in accordance with this notification.

7. Your obligation to pay rents to the Assignee will continue until you receive either:

(a) a written order from a court directing you to pay the rent in a manner specified in that order; or

(b) written instructions from the Assignee canceling this notification.

**57-26-111. Effect of enforcement.**

The enforcement of an assignment of rents by one or more of the methods identified in Sections 57-26-107, 57-26-108, and 57-26-109, the application of proceeds by the assignee under Section 57-26-112 after enforcement, the payment of

expenses under Section 57-26-113, or an action under Subsection 57-26-114(4) does not:

- (1) make the assignee a purchaser in possession of the real property;
- (2) make the assignee an agent of the assignor;
- (3) constitute an election of remedies that precludes a later action to enforce the secured obligation;
- (4) make the secured obligation unenforceable;
- (5) limit any right available to the assignee with respect to the secured obligation;
- (6) limit, waive, or bar any foreclosure or power of sale remedy under the security instrument;
- (7) violate Section 78B-6-901; or
- (8) bar a deficiency judgment pursuant to any law of this state governing or relating to deficiency judgments following the enforcement of any encumbrance, lien, or security interest.

Enacted by Chapter 139, 2009 General Session

**57-26-112. Application of proceeds.**

Unless otherwise agreed, an assignee that collects rents under this chapter or collects upon a judgment in an action under Subsection 57-26-114(4) shall apply the sums collected in the following order to:

- (1) the assignee's reasonable expenses of enforcing its assignment of rents, including, to the extent provided for by agreement and not prohibited by law of this state other than this chapter, reasonable attorney fees and costs incurred by the assignee;
- (2) reimbursement of any expenses incurred by the assignee to protect or maintain the real property subject to the assignment;
- (3) payment of the secured obligation;
- (4) payment of any obligation secured by a subordinate security interest or other lien on the rents if, before distribution of the proceeds, the assignor and assignee receive a notification from the holder of the interest or lien demanding payment of the proceeds; and
- (5) the assignor.

Enacted by Chapter 139, 2009 General Session

**57-26-113. Application of proceeds to expenses of protecting real property -- Claims and defenses of tenant.**

(1) Unless otherwise agreed by the assignee, and subject to Subsection (3), an assignee that collects rents following enforcement under Section 57-26-108 or 57-26-109 need not apply them to the payment of expenses of protecting or maintaining the real property subject to the assignment.

(2) Unless a tenant has made an enforceable agreement not to assert claims or defenses, the right of the assignee to collect rents from the tenant is subject to the

terms of the agreement between the assignor and tenant and any claim or defense arising from the assignor's nonperformance of that agreement.

(3) This chapter does not limit the standing or right of a tenant to request a court to appoint a receiver for the real property subject to the assignment or to seek other relief on the ground that the assignee's nonpayment of expenses of protecting or maintaining the real property has caused or threatened harm to the tenant's interest in the property. Whether the tenant is entitled to the appointment of a receiver or other relief is governed by law of this state other than this chapter.

Enacted by Chapter 139, 2009 General Session

**57-26-114. Turnover of rents -- Commingling and identifiability of rents -- Liability of assignor.**

(1) In this section, "good faith" means honesty in fact and the observance of reasonable commercial standards of fair dealing.

(2) If an assignor collects rents that the assignee is entitled to collect under this chapter:

(a) the assignor shall turn over the proceeds to the assignee, less any amount representing payment of expenses authorized by the assignee; and

(b) the assignee continues to have a security interest in the proceeds so long as they are identifiable.

(3) For purposes of this chapter, cash proceeds are identifiable if they are maintained in a segregated account or, if commingled with other funds, to the extent the assignee can identify them by a method of tracing, including application of equitable principles, that is permitted under law of this state other than this chapter with respect to commingled funds.

(4) In addition to any other remedy available to the assignee under law of this state other than this chapter, if an assignor fails to turn over proceeds to the assignee as required by Subsection (2), the assignee may recover from the assignor in a civil action:

(a) the proceeds, or an amount equal to the proceeds, that the assignor was obligated to turn over under Subsection (2); and

(b) reasonable attorney fees and costs incurred by the assignee to the extent provided for by agreement and not prohibited by law of this state other than this chapter.

(5) The assignee may maintain an action under Subsection (4) without bringing an action to foreclose any security interest that it may have in the real property. Any sums recovered in the action must be applied in the manner specified in Section 57-26-112.

(6) Unless otherwise agreed, if an assignee entitled to priority under Subsection 57-26-105(3) enforces its interest in rents after another creditor holding a subordinate security interest in rents has enforced its interest under Section 57-26-108 or 57-26-109, the creditor holding the subordinate security interest in rents is not obligated to turn over any proceeds that it collects in good faith before the creditor receives notification that the senior assignee has enforced its interest in rents. The

creditor shall turn over to the senior assignee any proceeds that it collects after it receives the notification.

Enacted by Chapter 139, 2009 General Session

**57-26-115. Perfection and priority of assignee's security interest in proceeds.**

(1) In this section:

(a) "Article 9" means Title 70A, Chapter 9a, Uniform Commercial Code - Secured Transactions, or, to the extent applicable to any particular issue, Article 9 as adopted by the state whose laws govern that issue under the choice-of-laws rules contained in Title 70A, Chapter 9a, Uniform Commercial Code - Secured Transactions.

(b) "Conflicting interest" means an interest in proceeds, held by a person other than an assignee, that is:

- (i) a security interest arising under Article 9; or
- (ii) any other interest if Article 9 resolves the priority conflict between that person and a secured party with a conflicting security interest in the proceeds.

(2) An assignee's security interest in identifiable cash proceeds is perfected if its security interest in rents is perfected. An assignee's security interest in identifiable noncash proceeds is perfected only if the assignee perfects that interest in accordance with Article 9.

(3) Except as otherwise provided in Subsection (4), priority between an assignee's security interest in identifiable proceeds and a conflicting interest is governed by the priority rules in Article 9.

(4) An assignee's perfected security interest in identifiable cash proceeds is subordinate to a conflicting interest that is perfected by control under Article 9 but has priority over a conflicting interest that is perfected other than by control.

(5) An assignee's perfected security interest in identifiable cash proceeds is subordinate to a conflicting interest arising under a right of recoupment or setoff.

Enacted by Chapter 139, 2009 General Session

**57-26-116. Priority subject to subordination.**

This chapter does not preclude subordination by agreement as to rents or proceeds.

Enacted by Chapter 139, 2009 General Session

**57-26-117. Uniformity of application and construction.**

In applying and construing this uniform act, consideration must be given to the need to promote uniformity of the law with respect to its subject matter among states that enact it.

Enacted by Chapter 139, 2009 General Session

**57-26-118. Relation to Electronic Signatures in Global and National Commerce Act.**

This chapter modifies, limits, and supersedes the federal Electronic Signatures in Global and National Commerce Act (15 U.S.C. Section 7001, et seq.) but does not modify, limit, or supersede Section 101(c) of that act (15 U.S.C. Section 7001(c)) or authorize electronic delivery of any of the notices described in Section 103(b) of that act (15 U.S.C. Section 7003(b)).

Enacted by Chapter 139, 2009 General Session

**57-26-119. Application to existing relationships.**

(1) Except as otherwise provided in this section, this chapter governs the enforcement of an assignment of rents and the perfection and priority of a security interest in rents, even if the document creating the assignment was signed and delivered before May 12, 2009.

(2) This chapter does not affect an action or proceeding commenced before May 12, 2009.

(3) Subsection 57-26-104(1) of this chapter does not apply to any security instrument signed and delivered before May 12, 2009.

(4) This chapter does not affect:

(a) the enforceability of an assignee's security interest in rents or proceeds if, immediately before May 12, 2009, that security interest was enforceable;

(b) the perfection of an assignee's security interest in rents or proceeds if, immediately before May 12, 2009, that security interest was perfected; or

(c) the priority of an assignee's security interest in rents or proceeds with respect to the interest of another person if, immediately before May 12, 2009, the interest of the other person was enforceable and perfected, and that priority was established.
